of an individual with the initials M.L.S., using the true social security number and date of birth of that individual, obtaining identity cards and state employment benefits under false pretenses by using the identity of M.L.S. He is associated with other alias names and a number of different dates of birth and social security numbers, in addition to M.L.S.

- (2) During a search of defendant's residence, shotguns and ammunition were found. He is alleged to have a lengthy criminal record under the name of M.L.S. that includes a number of firearms charges and multiple failures to appear for court and failures to comply with court orders. A warrant from Pierce County is active and extraditable in Pierce County, and a warrant from Covington is active and extraditable statewide.
- (3) Defendant poses a risk of nonappearance due to uncertainly concerning his true identity, association with multiple alias identifiers, a history of failing to appear, history of failing to comply, active warrants and unverified financial information. He poses a risk of danger due to criminal history, the presence of firearms in defendant's residence, and inconsistent information regarding drug history.
- (4) There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.

It is therefore ORDERED:

(1) Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;

DETENTION ORDER PAGE 2

- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- (3) On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
- (4) The clerk shall direct copies of this Order to counsel for the United States, to counsel for the defendant, to the United States Marshal, and to the United States Pretrial Services Officer.

DATED this 1st day of April, 2011.

Mary Alice

United States Magistrate Judge
